St Peter Port Lifeboat

Become a Friend of the St Peter Port Lifeboat today and help save lives at sea by signing up to our monthly prize draw by donating just £5 per month

What is the RNLI?

The Royal National Lifeboat Institution is the charity that saves lives at sea. The Guernsey Lifeboat Station is one of hundreds of stations around the coast of the United Kingdom. It has been operating for over 200 years and our crews have been honoured with several awards for gallantry. The Station has seen a variety of boats over the years from the originals powered by oar and sail up to our present, state of the art, Severn Class, "Spirit of Guernsey". Records show that Guernsey lifeboats have been launched over 1,330 times and saved nearly 600 lives.

How can you help?

The RNLI, including the Guernsey Branch, relies entirely on voluntary contributions and here's how you can offer your support. We are launching a new fundraising scheme which is easy for you to join and which will give us a regular source of income. We are asking if you could donate just £5 per month, and in return you will automatically be entered into a monthly lottery draw with the chance of winning some great cash prizes. Prizes each month will be 1 x £100 and 2 x £50 plus a Christmas bonus of £250. Prizes will be increased pro rata as more numbers are sold. Each participant will have an equal chance of winning and the draw will take place each month. Given your support we hope to hold the first draw on 15th July.

How to enter

Anyone over the age of 16 may enter for £5 per month or £60 per annum. A registration form and standing order (attached) must be completed and sent to the address shown; more than one number may be subscribed for but each entry must have an additional form and a unique number(s) will be issued to you. For extra forms and any queries please contact the Promoter at edwardf@cwgsy.net

Additional forms and the full rules are available from our website: www.rnli.org.gg
